

Greater Valparaiso Chamber of Commerce  
**2009 LEGACY OF SERVICE AWARD**

The Valpo Chamber Board of Directors created the Legacy of Service Award in 2004 to give recognition to individuals in the community who have, over the course of time or in an extraordinary circumstance, given service to the community beyond what is expected in their profession. They have, in fact, created an example to which others might aspire and a legacy from which others might learn the value of community service.
